

Caden Axell

I am majoring in business management, but I am not exactly sure what career field I want to go into yet.

I am pretty familiar with technology, I have used devices like computers, phones and video games consoles since I was younger.

I have used these softwares for both school and work activities.

About Me:

- I am from Sonoma County, California. I chose to come to UNR because it is not too far from home, it has a very beautiful campus and lastly because of its new additions to the business program.

Favorites Hobbies:

- Football, Basketball, Baseball
- Snowboarding, Video Games, Working Out
- Hanging out with my friends and family
